Computer Technology Skills	3	General Elective Credit				
CREDITS PRE-TRANSFER: 60				CREDITS POST-TRANSFER: 60		

Numbered Notes:

- **Note 1: Transfer course options.** Lower-level general education courses can be completed either at CTC, ODU, and/or approved standardized examination (i.e., CLEP, DSST). To ensure optimal transfer of credits, students are strongly encouraged to consult with an ODU enrollment counselor before enrolling in an CTC general education course. MATH 1342 Elementary Statistical Methods at CTC will transfer to ODU as STAT 130M Elementary Statistics. PSYC 2301 General Psychology will transfer to ODU as PSYC 201S Introduction to Psychology.
- **Note 2: Nature of Science Requirement.** ODU requires 4 credits of an approved science course with a lab to fulfill the Nature of Science requirement. This may be completed at ODU or CTC.
- **Note 3: Humanities Requirement.** Depending upon course selection, 3-6 credit hours in lower-division Humanities will be required for transfer by ODU. These may be completed at CTC or ODU.
- **Note 4: Upper Division General Education.** Complete 6 credits of approved upper division (300/400 level) courses to meet the Upper-Division General Education requirement.
- **Note 5: Elective Credits.** Depending on the student's course selection, credits in elective coursework are required to meet the 120-credit minimum for a degree. Elective credits may be met by completion of an ODU Minor, taking general elective courses of one's choice, or through additional transfer credit hours.

General Notes:

- This guide is for advising and planning purposes only. Degree requirements are subject to change. Completion of this transfer agreement guide alone does not guarantee admission to Old Dominion University.
- Lower-Division General Education waiver and course substitutions are not automatic upon enrollment to ODU. Students must notify their ODU academic advisor for these to be processed upon verification.
- Grade of C or higher is required to receive transfer course credit.
- A minimum of 120 credit hours is required for graduation. Students must earn a minimum of 30 credits at Old Dominion University to be eligible for a degree.
- Course requirements listed in this agreement are based on the 2026-2027 catalogs for each institution and are valid until 2030, unless annual catalog curriculum changes or an updated agreement guide is created.
- **Military Credit.** Your military training and experience may be worth college credit at ODU, potentially helping you save time and money toward your degree. **Find out how your military experience could translate into college credit through ODU's military pathways:** [ODUGlobal Military Pathways](#)
- **Complete the Letter of Intent (LOI) to gain access to exclusive benefits, including pre-advising, coaching, and a waived application fee.** Submit the LOI at <https://online.odu.edu/transfer-intent>.
