				NURS 492 Community Health Nursing	3	
				Select one of the following: NURS 455 Genetics in Nursing, NURS 456 Global Health Perspectives, NURS 457 Palliative Care, NURS 459 Concepts in Primary Care or HLSC 405 Interprofessional Study Abroad on Global Health	3	
CREDITS PRE-TRANSFER: 64				CREDITS POST-TRANSFER: 52-55		

Numbered Notes:

- **Note 1: Transfer course options.** Lower-level general education courses for the RN to BSN program at ODU can be completed either at CTC, ODU, and/or approved standardized examination (i.e., CLEP, DSST). To ensure optimal transfer of credits, students are strongly encouraged to consult with an ODU enrollment counselor before enrolling in an CTC general education course. ENGL 1302 Composition II at CTC will transfer as ENGL 211C Writing, Rhetoric, and Research at ODU. ENGL 2311 Technical and Business Writing at CTC will transfer to ODU as ENGL 231C Intro to Technical Writing. MATH 1342 Elementary Statistical Methods at CTC will transfer to ODU as STAT 130M Elementary Statistics. SOCI 1301 Introduction to Sociology will transfer to ODU SOC 201S Introduction to Sociology.
- **Note 2: Departmental Chemistry Requirement.** The ODU Nursing program requires an approved Chemistry with a lab. CHEM 1406 Introductory Chemistry I at CTC will transfer to ODU as CHEM 105N Introductory Chemistry/CHEM 106N Introductory Chemistry Lab. Students who do not transfer in equivalent chemistry credit may complete CHEM 121N Foundations of Chemistry and CHEM 122N Lab (or CHEM 120N online lab to meet this requirement).
- **Note 3: Humanities Requirement.** Depending upon course selection, 3-6 credit hours in lower-division Humanities will be required for transfer by ODU. These may be completed at CTC or ODU.
- **Note 4: Upper Division General Education.** Complete 6 credits at the upper division in approved 300/400 level courses (cannot be a nursing or health science related course).
- **Note 5: Awarding of Advanced Placement Credit.** BSN students are awarded a total of 33 advanced placement credits for NURS 398 (17 credits) and NURS 498 (16 credits) upon confirmation of RN licensure. These credits are awarded at no additional cost to the student. Students following this agreement will complete 54-57 credits at ODU. Combined with the 33 advanced placement credits, this amounts to a total of 87-90 credit hours earned at ODU.

General Notes:

- The Bachelor of Science in Nursing Post-Licensure program is designed for students who are registered nurses or concurrently enrolled in an Associates Nursing/RN program.
- Completion of this transfer agreement guide alone does not guarantee admission to Old Dominion University. This guide is for advising and planning purposes only. Degree requirements are subject to change. All students must meet the requirements set by the Office of Admissions. A separate application is required specifically for the Bachelor of Science in Nursing (BSN) Post-Licensure Online Program. Students must complete all lower-division general education requirements and nursing prerequisites before beginning the upper-level Nursing courses.
- Lower-Division General Education waiver and course substitutions are not automatic upon enrollment to ODU. Students must notify their ODU academic advisor for these to be processed upon verification. Students must complete all lower division courses before beginning the upper-level courses.
- A grade of C or higher is required to receive transfer course credit and all Nursing courses taken at ODU require a C or higher grade. A minimum of 120 credit hours is required for graduation. Students must earn a minimum of 30 credits at Old Dominion University to be eligible for a degree.
- Course requirements listed in this agreement are based on the 2026-2027 catalogs for each institution and are valid until 2030, unless annual catalog curriculum changes or an updated agreement guide is created.
- Students can further their career by pursuing one of ODUGlobal's online Master of Science in Nursing programs: Family Nurse Practitioner, Pediatric Nurse Practitioner, Psychiatric Mental Health Nurse Practitioner, Neonatal Nurse Practitioner, Pediatric Clinical Nurse Specialist, Neonatal Clinical Nurse Specialist, Adult/Gerontology Clinical Nurse Specialist/Educator or Nurse Midwifery.
- **Military Credit.** Your military training and experience may be worth college credit at ODU, potentially helping you save time and money toward your degree. **Find out how your military experience could translate into college credit through ODU's military pathways:** [ODUGlobal Military Pathways](#)
- **Students are encouraged to complete the Letter of Intent (LOI) to gain access to exclusive benefits, including pre-advising, coaching, and a waived application fee.** Submit the LOI at <https://online.odu.edu/transfer-intent>.
