Notes/Comments

TAMUCT offers upper-level courses (those labeled 3XXX-5XXX), while all lower-level courses (those labeled 1XXX-2XXX) should be completed at CTC. A minimum of 120 semester credit hours is required for all baccalaureate degrees. Pathways may exceed 120 semester credit hours, as certain courses required for the associate degree are transferable but not applicable to the baccalaureate degree. For help with pathway planning, please speak with an academic advisor or enrollment specialist. *This pathway is intended for planning and visualization purposes and is subject to change.*

1. The **AA** does not fulfill all the lower-level courses required for the undergraduate degree. Students will need to complete the remaining lower-level courses at CTC. Please discuss the consortium agreement procedure with a TAMUCT financial aid advisor.
2. Any-level electives may be taken at CTC or TAMUCT. Please consult with an academic advisor prior to selecting any-level electives.
3. Lower Level Electives, Any Level Electives or Degree Requirements (DEG REQ) may be the FOS courses: PSYC 2301, PYSC 2314, PSYC 2317, PSYC 2319.
4. Any course listed as "approved for the Texas Core Curriculum" 010 component will meet this core requirement; however for success in the program, completion of any two ENGL 1301/1302/2311 are required as pre-requisites for PSYC 3409.
